Subject: RE: Huawei v. T-Mobile - Huawei Amd 1st Supp Privilege Log

Angela,

In response to your letter, the first 11 entries, which you may recognize from our previous privilege log, are simply included for completeness because they represent the scope of entries in the IT database related to each patent that was updated over time. As for the other logged items, we have provided the information that is available. Some of the documents submitted into the IT database do not contain dates and do not show who submitted them.

Thanks,
Jane
